1. About These Terms

These Website Terms of Use explain the terms that apply when you access and use the SPACES Leisure website.

By using this website, you agree to these terms. If you do not agree with them, you should not continue to use the website.

2. About Our Website

The SPACES Leisure website provides information about our business, our approach to Community Partnership Management and the services and partnership opportunities we may offer to schools and other organisations.

The content of this website is provided for general information and discussion purposes.

Information on the website does not constitute a contractual offer, quotation or guarantee that SPACES Leisure will provide a particular service or enter into a partnership with any school or organisation.

3. SPACES Partnerships

Every school, organisation, facility and community is different.

Information on this website about our partnership approach, services, operational model and how a SPACES partnership may develop is intended to explain our general approach.

Before proposing a partnership, SPACES Leisure may consider factors including available facilities, operating hours, existing utilisation, local demand, staffing requirements, operating costs and the individual requirements of the school or organisation.

Any specific commercial arrangement will be discussed separately and, where appropriate, set out in a written proposal and/or partnership agreement.

Where there is any difference between general information provided on this website and the terms of a subsequently agreed written contract with a school or organisation, the written contract will take precedence.

4. Commercial Information

We take reasonable care to ensure that information about SPACES Leisure and our partnership approach is clear and accurate.

Any references to commercial models, income generation, profit sharing, operational costs or other financial matters are intended to explain how our partnership approach may operate generally.

Actual arrangements will depend upon the circumstances of the individual school or organisation and will be confirmed separately before any partnership begins.

Nothing on this website represents a guaranteed level of income, profit, saving, financial return, facility utilisation or other commercial outcome.

5. Experience and Track Record

The website may refer to the professional experience, previous work and historic achievements of the people behind SPACES Leisure.

Where figures or other statements relate to historic experience, they are provided to demonstrate relevant previous experience and should not be interpreted as a representation or guarantee that SPACES Leisure, or any future partnership, will achieve the same results.

Past performance and experience do not guarantee a particular future outcome.

6. Website Enquiries

You can contact SPACES Leisure through the contact details and enquiry facilities provided on this website.

Submitting an enquiry does not create a contractual relationship between you, your organisation and SPACES Leisure.

We will use personal information submitted through the website in accordance with our **Privacy Policy**.

Information submitted through a website enquiry will not automatically be added to an email marketing list.

7. Intellectual Property

Unless otherwise stated, the content of this website is owned by, licensed to or used with permission by SPACES Leisure.

This includes, where applicable:

- the SPACES name and branding;
- logos and graphic elements;
- website design and layout;
- written content;
- photographs and images;
- graphics and illustrations; and
- other original material appearing on the website.

You may view and use the website for legitimate personal or professional purposes.

You must not copy, reproduce, republish, distribute, modify, commercially exploit or otherwise use substantial parts of our website content without our prior permission, except where permitted by law.

Nothing in these terms transfers ownership of any intellectual property rights to a website user.

8. Acceptable Use

You must not knowingly use this website:

- for any unlawful or fraudulent purpose;
 - to introduce viruses, malicious software or other harmful material;
 - to attempt to gain unauthorised access to the website, its hosting environment or associated systems;
 - to interfere with the operation or security of the website; or
 - in a way that infringes the rights of SPACES Leisure or another person or organisation.

9. Third-Party Websites and Social Media

Our website may contain links to websites, social media platforms or services operated by third parties.

These links are provided for convenience and information.

SPACES Leisure does not control third-party websites and is not responsible for their content, availability, security or privacy practices.

A link from our website to another organisation does not necessarily mean that SPACES Leisure endorses or is formally associated with that organisation.

You should review the relevant terms and privacy information when using third-party websites or services.

10. Website Availability

We aim to keep the SPACES Leisure website available and functioning properly, but we do not guarantee that the website will always be available or uninterrupted.

We may update, change, suspend or withdraw parts of the website where reasonably necessary, including for maintenance, security or business reasons.

We are not responsible for temporary interruptions caused by matters outside our reasonable control.

11. Accuracy of Information

We take reasonable care to keep information on this website accurate and up to date.

However, information may change as SPACES Leisure develops, and we do not guarantee that every item of website content will always be complete, current or free from error.

If you are considering a partnership with SPACES Leisure, you should discuss your individual requirements with us rather than relying solely upon general information contained on the website.

12. Our Responsibility

Nothing in these terms excludes or limits any liability that cannot lawfully be excluded or limited.

Subject to that, SPACES Leisure will not be responsible for losses arising solely from reliance upon general information published on this website where individual professional, commercial or contractual advice should reasonably have been obtained.

We are also not responsible for loss or damage caused by third-party websites or services that you access through links from our website.

These terms do not affect any rights or remedies that cannot legally be excluded.

I've deliberately kept this liability wording restrained rather than trying to claim that SPACES is liable for absolutely nothing. UK guidance emphasises that contractual terms and notices should be fair and transparent, and that businesses cannot simply exclude legal liabilities that the law does not allow them to exclude. 13. Privacy and Cookies

Your use of this website may involve the collection and processing of personal information.

Please read our **Privacy Policy** for information about how SPACES Leisure handles personal information.

Our website may also use cookies and similar technologies. Further information is available in our **Cookie Policy**.

14. Changes to These Terms

We may update these Website Terms from time to time to reflect changes to our website, services, business or legal requirements.

The latest version will be published on this website together with the date it was last updated.

Your continued use of the website following an update will be subject to the version of the terms in force at that time.

15. Governing Law

These Website Terms and any dispute relating to the use of this website are governed by the laws of England and Wales.

The courts of England and Wales will have jurisdiction, subject to any rights that applicable law gives a person to bring proceedings elsewhere.
